I. PREDICATION FOR CONSIDERING

b6
b7C

As set forth in detail in previous reports, a number of persons have stated that they have seen a yellow automobile in the area of the COORS residence prior to February 9, 1960, some of the witnesses describing the car as a Mercury.

[redacted]
[redacted] a yellow Mercury parked at the cave "pull off" area which is 271 feet from the bridge, on the morning of February 8, 1960. [redacted]

[redacted] a similarly described car at the same location during the afternoon of the same day.

[redacted]
a yellow Mercury at the same location on the morning of February 8, 1960, and has stated that he is certain that it bore a 1960 Colorado license which he thought began with the designation AT 62. On one occasion he told a police officer that the license may have been AT 6205.

On February 10, 1960, SAs [redacted] and [redacted] checked the records of the Denver Auto Theft Bureau, which reflected the following listed Mercury automobiles with the prefix AT in the 6200 series are registered in Colorado. These records did not reflect the color of the cars:
